Landslides atop Chamundi Hill

Restoration works to begin by month end

- **Tender process on; Rs. 9.75 crore needed**
- **IISc's scientific riders will be adhered to**

Mysuru, Apr. 7 (RK&BCT)- The Public Works Department (PWD) will start restoring the landslide-hit parts of Chamundi Hill within a month and tenders have been called through e-procurement for the purpose.

The restoration works will be taken up based on the recommendations from the Indian Institute of Science (IISc.), Bengaluru. PWD Assistant Executive Engineer (AEE) Raju told *Star of Mysore* this morning that the IISc scientists have submitted a comprehensive report on the causes of landslides and recommended a particular method of building a retaining wall. "We will adhere to it," he added.

As per the Institute's technical report, Rs. 9.75 crore is needed to restore the damaged portions. Landslides have been occurring atop Chamundi Hill since 2019 and last year saw at least three major landslips, causing concern among Mysuerans, tourists and also eco-conscious groups who blamed the indiscriminate development activities atop the hill.

Following intense criticism, the State Government asked the IISc., to recommend the process to restore the structural damages so that any further landslips can be avoided. A team from the IISc., had visited the hill a couple of times and had studied the areas scientifically.

The team studied the landslide pattern and took samples from faults, joints and bedding surfaces, which are contact points between rock and soil and contribute to landslides. The experts indicated that erosion had already set in and could be arrested only by not taking up any more construction activities as well as movement of heavy transport vehicles.

"The IISc., experts had suggested to the PWD that the restoration work on the damaged portions of the hill must wait till the rain stops completely and till the area stabilises. We have floated tenders through the e-procurement portal and the tendering process is on. The bidder, who will be finally selected for the repair works, must be qualified enough to meet the specifications mentioned by the IISc., team," Raju said.

The tendering process is on and all the technical specifications mentioned in the IISc., report will be strictly adhered to. Work is likely to begin by the end of April, he added.

Talk on 'Life of Butterflies'

Sammilan Shetty

Mysuru, Apr. 7- Arivu Trust and Minds United Trust Infosys Foundation Nature Club and Library have organised a talk on "Life of Butterflies" by Sammilan Shetty at Arivu School in Lingambudhipalya on Apr. 8 at 6.30 pm.

Sammilan's passion for butterflies led to the establishment of Butterfly Park in Belvai near Moodabidri, Mangaluru, in 2011, the State's first-ever private butterfly reserve.

Sammilan was working as a lecturer in hotel management before he quit in 2015 to pursue his love for butterflies full-time. His 100-minute documentary 'Life of Butterflies', released in 2019, showcases the natural history of butterfly behaviour, introducing its audience to the amazing world of these beautiful insects.

It is also India's first-ever comprehensive documentary on butterflies and was shot exclusively at Butterfly Park in Belvai by Sammilan for four years.

The film is commended by butterfly experts, and nature enthusiasts and has viewers across the world. The butterfly park at Belvai was also honoured by 'The World Book of Records, London, in 2018.

Entry is free. Interested may contact Dr. Abhijith on Mob: 90666-02579 or Pavan on Mob: 99863-91981.

'Understanding Cryptocurrencies'

Prof. Sudhendar Rao

Mysuru, Apr. 7- Mysore Open Forum has organised a talk on 'Understanding Crypto currencies' by Prof. Sudhendar Rao, Dean of the Faculty of Management and Commerce, Manipal University Jaipur (MUJ), at Kalpa Kshetra Auditorium, 581/1, Vijayanagar 4th Stage, 1st Phase, in city on Apr. 9 at 10.30 am.

Prof. Sudhendar Rao, a Professor at the TAPMI School of Business at MUJ, had earlier served as a Professor of Information Systems at the MYRA School of Business in Mysuru. The meeting is open to all. For details, interested persons may contact Mob: 94498-19536.

EDITOR'S BOTTOMLINE

Be it a prince or a pauper, everyone surrenders to the beauty of the butterfly with a smile on their face. It's a perfect metaphor for happiness — a butterfly that when pursued seems always just beyond your grasp. But if you sit down quietly, it may alight upon you. Happiness too is like a butterfly; the more you chase it, the more it will elude you, but if you turn your attention to other things, it will spread its wings and reach your heart.

We all face storms in our lives, say, by a tiny virus or a senseless war taking its toll in the form of death, destruction and misery. But it's a matter of time before the storm clears and calmness descends. When life falls back into place, peace brings beauty and happiness with it.

In the words of Ruskin Bond, "And when all the wars are over, a butterfly will still be beautiful." Yes, the butterfly always brings happiness and beauty — before, during and after the war.

61-year-old gets 90 doses of COVID vaccine

Magdeburg: An unnamed 61-year-old man in German reportedly got 90 doses of COVID-19 vaccine injected into his body so he could make money selling vaccination certificates to people who didn't want to get vaccinated.

The man from the eastern German city of Magdeburg, whose name was not released, allegedly managed to receive up to 90 shots of COVID-19 vaccine at various vaccination centers in the eastern state of Saxony for months, before finally being caught earlier this month. He was finally discovered when he came to a vaccination center in Eilenburg, Saxony for the second day in a row, asking to get a COVID-19 jab. It turns out the man kept getting Covid-19 shots in order to sell forged vaccination cards with real vaccine batch numbers to people not wanting to get vaccinated themselves.

Anchor cemetery: A memorial to a dead industry

Algarve Coast: The sand dunes behind Barril Beach on Portugal's southern Algarve Coast are home to over 200 rusty anchors abandoned there almost 60 years ago by the local tuna fishing community.

O Cemitério das Âncoras (The Anchor Cemetery) is one of the most iconic Sights of the Algarve Coast, yet not many people know its history and meaning. This isn't just a random place where old ships abandoned their anchors many years ago, but a memorial to a now-defunct trade going back hundreds of years. In 1964, the local community decided to commemorate the death of traditional Bluefin Tuna fishing by burying the anchors that once formed the backbone of the complex tuna traps known as armações. They've remained there ever since as a reminder of the effect of industrialisation and over-fishing on the locals.

City hotels hike food prices; blame fuel, material costs

Five percent increase in all food, beverages from Apr. 10

Mysuru, Apr. 7 (BCT)- Come April 10, you might think twice before making a plan to eat out. With hotels and restaurants all set to increase their costs, it is bound to burn a hole in your pocket. The prices of eatables will be hiked by 5 percent from Apr. 10.

Hoteliers say massive hike in commercial Liquefied Petroleum Gas (LPG) cylinders, increased cost of vegetable and pulses, high prices of edible oil coupled with high labour cost have all added to the burden of running the establishments. Even the trade licence fee collected by the Mysuru City Corporation (MCC) has increased.

"After two years of lockdown and other restrictions, we are running our businesses with very thin margins. However, the recent LPG cylinder hike has impacted us. An average restaurant needs a minimum of four LPG cylinders daily and it is impossible to sustain with such an increase in prices," said Mysuru Hotel Owners Association President C. Narayanagowda.

Along with price increase, the hotel sector has been facing a massive labour shortage due to which they are forced to shell out more salaries to the existing staff. "We really don't want to hike the price of the menus and burden the customers, but the prices of all essential commodities have increased from 25 to 40 percent and even the electricity charges are more. We are compelled to hike food and beverage prices," he added.

The hike will come into effect at all categories of hotels. "Seeing the hikes of all commodities, a hike of 10 percent is inevitable but the Association has decided to increase food prices by 5 percent," Narayanagowda said.

REALLY...?

- *There are almost 20,000 butterfly species and they have a liquid diet.*
- *Butterflies actually have four wings, not two. Wings help them against predators.*
- *Butterflies live for a few weeks. At least one species of butterfly lives for approximately 24 hours, while some butterflies, like North American Monarch, survive for nearly 8 months.*

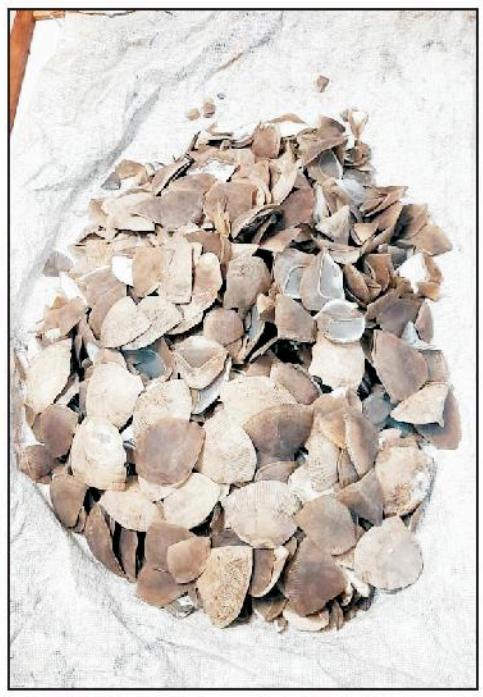
Four arrested for trying to sell Red Sand Boa, Pangolin scales



Virajpet Forest officials seen with the accused and the snake. Picture right shows the seized Pangolin scales.

Madikeri, Apr. 7 (KS) - In separate cases, the Virajpet Forest Mobile Squad personnel have arrested four persons who were trying to sell the endangered Red Sand Boa snake and Pangolin scales in Kodagu.

In the first case, Virajpet Forest Mobile Squad personnel have arrested two persons who were trying to sell Red Sand Boa snake.

Those arrested are 24-year-old Puneeth Kumar of Arasikere and 20-year-old Chandan Kumar alias Darshan of Belur, both in Hassan district. The accused were nabbed on Karnataka-Kerala National Highway near Perambadi in Virajpet taluk. The accused were produced at Ponnampet Court, which remanded them to 15 days judicial custody.

In the second case, two persons were arrested for attempting to sell Pangolin scales in front of Health and Welfare Centre in Attur village.

Those arrested are Raju of Chennangi village in Virajpet taluk and Dharma alias Mari of Kattepura village in Somwarpet taluk.

Acting on a tip off, the Forest Department personnel raided the spot and caught the accused red handed along with Pangolin scales. The accused were produced before Ponnampet Senior Civil Judge and JMFC Court, which remanded them to 15 days judicial custody.

CID Police Forest Mobile Squad IGP K.V. Sharathchandra and In-charge Superintendent of Police (SP) N.T. Srinivas Reddy guided In-charge Sub-Inspector C.U. Savi and staff T.P. Manjunath, K.S. Devaiah, C.B. Beena, S.M. Yogesh, P.U. Muneer, R. Nandakumar and Mohan in the nabbing and seizing operation.

Commonly known as the 'two-headed snake' because of its blunt tail that resembles a head, the red sand boa has been a favourite with smugglers as the reptiles fetch a lot of money. Smuggling of this snake is rampant as it is believed that they have supernatural powers.

Sand Boas hold significance mainly because of the myth and belief surrounding them. These non-venomous snakes are used for black magic. The demand for the sand boa has also been associated with superstitions which claim that owning a Sand Boa brings in immense luck. The snake is protected under the Wildlife (Protection) Act, 1972, therefore, collection, trade or utilisation of the species is prohibited in India.

Creation of fake documents for revenue land

H.D. Kote TMC Revenue Inspector suspended for irregularities

Hunsur, Apr. 7 (KK&KS)- A woman Revenue Officer, who had allegedly created fake documents for revenue land and also got 12 khatas done at City Municipal Council (CMC), has been suspended by the Directorate of Municipal Administration. The Revenue Officer, who has been suspended, is Veena.

Veena

Veena, who was earlier serving as a Bill Collector at Hunsur CMC, has been accused of creating fake documents for a revenue land in Survey No. 61 in the CMC limits. She had later submitted Form-3 and had got 12 khatas done illegally for the said revenue land.

An investigation into these irregularities was conducted by the Assistant Commissioner and an investigating team during which it came to be known that Veena had committed irregularities following which Municipal Administration Director M.S. Archana suspended Veena and subjected her to an investigation.

The team, which conducted an investigation, came to know that Veena, while serving as the Bill Collector at Hunsur CMC, had illegally created KMF-24 documents and had made 12 khatas thus violating the Municipal Act and Rules.

When the Deputy Commissioner (DC) instructed the Assistant Commissioner to conduct an investigation again, the original documents pertaining to land conversion of the revenue land were not produced before the Assistant Commissioner. But it was noticed that 12 illegal khatas were documented when the Investigating Officer looked into KMF-24 copies and many documents were found missing from the office.

The documents that were produced before the investigating team earlier, were found missing when the Assistant Commissioner took up the investigation. Veena, who was supposed to conserve and preserve public records, had violated the rules and had displayed dereliction in her duties.

Though it has been two years since the documents had gone missing from the office, the same was not informed to the DC and to the officials of the concerned Departments, thus showing her negligent attitude.

Based on these irregularities, Veena was suspended. She has been transferred from Hunsur CMC to the vacant post of Revenue Officer at Ankola CMC and has been ordered not to leave the headquarters without seeking permission from the Competent Authority.

Forest Minister in Kodagu tomorrow

Umesh Katti

Madikeri, Apr. 7 - Forest Minister Umesh V. Katti, who is also the Minister of Food, Civil Supplies & Consumer Affairs, will be touring Kodagu district tomorrow (Apr. 8).

The Minister, along with elected representatives and officials, will visit places where man-wild animal conflicts are frequently taking place and will conduct an inspection at 8 am tomorrow.

He will chair a meeting with officials and elected representatives at 2 pm and will inaugurate the 8th Edition of Karnataka Hockey Festival at Crystal Court at 4.30 pm, according to Suresh K. Alagundi, Personal Assistant to the Minister.

More on property tax by MCC

Sir,

To ease payment of property tax, the Mysuru City Corporation (MCC) came with an innovative idea of affixing a QR code at each property and the property owners were eager to scan and pay the tax, which in turn was an utter flop. While the system was not foolproof, why did the MCC resort to this by spending huge tax payers money.

Now the online property tax collection has begun and of course, this is less time consuming, say maximum of 5 minutes to pay the property tax. The hitch here is that once the tax is paid online and receipt generated, the payer cannot go back to get his details of tax, for his reference and the server only can produce the receipt for the amount remitted. This needs to be set right and tax-payers should be able to obtain the challan details. This year, a new cess is introduced, namely cemetery cess of Rs. 150. Why this cess? Have the Corporators concerned given nod to it? If so, has MCC ascertained the number of deaths and usage of crematorium/ cemetery per household? If not, this cess seems ridiculous and I request MCC to have a relook at this and avoid this in future payments.

Earlier we used to make enquiries at MCC but now with online system, we are forced to pay without any second option.

People oppose shifting of DEIC to District Hospital premises

Mysuru, Apr. 7 (MTY&DM)- The members of the public have opposed the Health authorities' decision to shift the **District Early Intervention Centre (DEIC),** which was functioning from Nachanahallipalya Primary Health Centre (PHC) at J.P. Nagar, to an isolated building in the District Hospital premises at Metagalli on KRS Road.

The DEIC provides free therapeutic treatment for disabled children in the age group of 0 to 18 years. The Centre was set up at Nachanahalliplaya PHC in 2017-18 at a cost of Rs. 50 lakh. The Centre has Paediatricians, Physiotherapists, Speech Therapists, Psychologists, Ophthalmologists and Counsellors to treat children from Mysuru and surrounding districts for their disabilities and deformities for free.

Maintaining that the building outside the Hospital block at the District Hospital premises to which the DEIC has been shifted last week, was in fact a mortuary earlier, the people wondered how could they take their children to such a building as a fear psychosis has prevailed on them.

Noting that the parents of children are scared to visit the building, which was previously a mortuary, they urged the authorities either to relocate the DEIC to a suitable building elsewhere or to retain the Centre at Nachanahallipalya PHC itself, taking into consideration the state of mind of children and the parents alike.

Over 5,000 aspirants attend KSOU Job Mela

2,500 more in waiting line, 84 companies, virtual registrations too open

Ministers Dr. C.N. Ashwathnarayan and S.T. Somashekar and MLAs L. Nagendra and S.A. Ramdas symbolically handing over offer letters to candidates at the job fair at KSOU Convocation Hall this morning.

Mysuru, Apr. 7 (RKB&BCT)- The otherwise mostly deserted campus of Karnataka State Open University (KSOU) today was teeming with job aspirants, numbering thousands — 5,000 on-the-spot registrations, 2,500 in waiting mode and in addition, online registrations. They were attending the day-long mega Udyoga Mela (Job Fair) where more than 84 companies are looking to increase their human resource base.

The Job Fair is being organised under the joint aegis of Mysuru District Administration, Skill Development, Entrepreneurship and Livelihood Department (SDEL), Karnataka Skill Development Authority, Bengaluru and KSOU, Mysuru.

There were many counters opened by the companies to select suitable job-seekers and all of them were doing spot registrations based on the qualification, skill and knowledge acquired by the prospective employees. This apart, all companies had online registrations too.

The companies and establishments seeking candidates included Indian Army, Palace Honda, Apollo Home Healthcare, TVS Motors, Toyota Kirloskar, LIC, Wipro GE, Kotak Mahindra, India Mart, Sahara, HDFC Bank, Airtel, Star Health Insurance, Inspire Honda, Rane Madras, Trinton Valves, JK Tyre, Edukare ITES. 15 more companies were yet to set up counters.

Apart from 5,000 registrations, there were over 2,500 people in the waiting line. As the youth crowd was increasing — beyond the expectations of the organisers — many were given the addresses of online registrations and were sent back saying that their applications would be sifted in the due course of time as it is not possible to do it in a single day.

Minister of Information Technology-Biotechnology, Higher Education, Science and Technology Dr. C.N. Ashwathnarayan inaugurated the job fair at KSOU Convocation Hall that was packed with job aspirants, company representatives and guests.

Dr. Ashwathnarayan also dedicated the online app-based KSOU Radio and Shravya Audio-Visual studio and renovated 'Nala' building on the KSOU campus. Among the dignitaries present during the inauguration were Mysuru District Minister S.T. Somashekar, MLAs S.A. Ramdas and L. Nagendra, Mayor (in-Charge) Sunanda Palanetra, KSOU Vice-Chancellor Prof. S. Vidyashankar, Registrar Prof. R. Rajanna and Chairmen of various Boards and Corporations.

Stress on skill

In his address, Dr. Ashwathnarayan said that the job market wants skilled workers and there is a demand for skilled resources even in foreign land. "We are training 75,000 youths in Karnataka every year in various skills and this number will be increased to 2.5 lakh. With regard to candidates who will not be selected, the companies have been asked to mention the reasons for rejection. Based on the analyses of these reasons, the skill gaps will be identified and relevant training will be imparted for respective candidates to fill the gap and will be helped to get placement in future attempts which is the main agenda of this job mela, he said.

Lamenting that in Karnataka alone there are 1.5 lakh ITI seats and there are 75,000 polytechnic seats, the Minister said that there are not many takers for ITI and polytechnic despite them guaranteeing jobs.

"The government is taking the right decisions at the right time to create a bright future for Karnataka. The New Education Policy gives quality and flexible learning opportunities to students which pave the way for the State to be a land of opportunities, land of future skilled entrepreneurs," he added.

KSOU Vice-Chancellor Prof. Vidyashankar said that KSOU has incorporated UCMS software one stop services from admission to exit level with marks card, an all digitised system which is a model in education.

Dr. Ashwathnarayan also released a book 'New Education Policy and Opportunities' authored by KSOU lecturer Sudhakar Hosahalli.

BJP celebrates Foundation Day in city

Mysuru, Apr. 7 (MTY&DM)- BJP workers and leaders celebrated the Party's Foundation Day at a programme organised at the Party Office in Chamarajapuram here yesterday. Several other programmes were held across the city also marking the occasion.

Senior party leaders — Shanta Somashekar, Gangadhar (Ganganna), Mahadevu (Nalli), Sheshaiah and Hinkal Srinivas and student M.B. Tarun, who interacted with the Prime Minister at the *Pareeksha Pe Charcha* programme held recently, were felicitated on the occasion.

City BJP President T.S. Srivatsa, Spokesperson Mahesh,

leader R. Paramesh and others were present.

In another programme, party workers took out a procession passing through Shivarampet, Vinoba Road and Santhepet Road, before reaching Nanjaraj Bahadur Choultry on Vinoba Road, where a large screen was installed to telecast live Prime Minister Modi's address to party functionaries marking BJP Foundation Day.

MLA L. Nagendra, City BJP President T..S. Srivatsa, Corporators Lakshmi Kirangowda, K.J. Ramesh and Jagadeesh, MLC B.Muniraj Gowda and a host of local party leaders were present.

NCC Group confers 'Honorary Colonel' rank on Mysore University VC

Prof. Hemantha Kumar is now Colonel Commandant

Mysuru, Apr. 7 (MTY&DM)- It was a memorable day for University of Mysore (UoM)Vice-Chancellor Prof. G. Hemantha Kumar as he was conferred with the rank of 'Honorary Colonel' and also bestowed with the position of 'Colonel Commandant' for UoM, at a programme organised by NCC Group, Mysuru, at Vijnana Bhavan in Manasagangothri campus along Hunsur Road here this morning.

Speaking after being conferred with the rank, Prof. Hemantha Kumar said that it was indeed a memorable day in his life for him as he is reminded of his responsibility to serve the society in yet another way through the unique honour of Colonel Commandant.

Maintaining that UoM has always given due emphasis to three wings of the NCC (Army, Navy and Air Force), Prof. Hemantha Kumar said that the NSS and NCC are two important segments to which more and more students are being drawn each year, which is a source of great inspiration.

Observing that the youth population is a dominant force in the country, he stressed on the need for channelising the force as it can work wonders.

Pointing out that 'Unity and Discipline' is the motto of the NCC, he said that the NCC has been striving to be one of the greatest cohesive forces of the nation, bringing together the youth hailing from different parts of the country and moulding them into united and disciplined students of the nation, which is precisely what the Republic Day parade at New Delhi symbolises.

Noting that NCC Cadets have always been looked up to for they have been role models in colleges, the VC said that it is the reason why the Republic Day (RD) participants are a privileged lot.

"I Congratulate the NCC Cadets of Karnataka and Goa NCC Directorate who took part in the Republic Day celebrations at New Delhi this year," he said.

Colonel R.R. Menon, Group Commander, Headquarters, NCC Mysuru Group, in his address, said it is heartening to note that 19 out of the 54 NCC Cadets of Karnataka and Goa Directorate, who had taken part in the RD parade this year, were from Mysuru.

Stating that it is interesting to note that more number of girls were part of the contingent, he said that, it is unfortunate that some Cadets could not take part in the RD parade as they were affected by COVID pandemic.

Announcing that an NCC Alumni Association has been formed, Colonel Menon said that Prime Minister Narendra Modi was registered as the first member and Defence Minister Rajnath Singh as the second member of the Association.

Stressing on the need for carrying forward the objectives of the Association with inspiration, he said that the membership is open for all eligible citizens both in the offline and online mode.

Prof. Hemantha Kumar felicitated Cadets from various Educational Institutions of Mysuru who took part in the RD parade, 2022 and also the Cadets who participated in the National Sailing Regatta on the occasion.

The programme also featured a colourful cultural show by NCC Cadets. Col. Srinivas, Administrative Officer, NCC, Mysuru and other NCC officers and University officials were present.

Cleaning campaign at Bylakuppe

As part of World Health Day, a cleaning campaign was held at Bylakuppe this morning. Over 300 students and 15 teachers of Tibetan Children's Village School took part in the campaign on Tibetan 1st Camp Road and surrounding places. The students and teachers cleaned the drains and removed plastic covers and garbage which were strewn around.

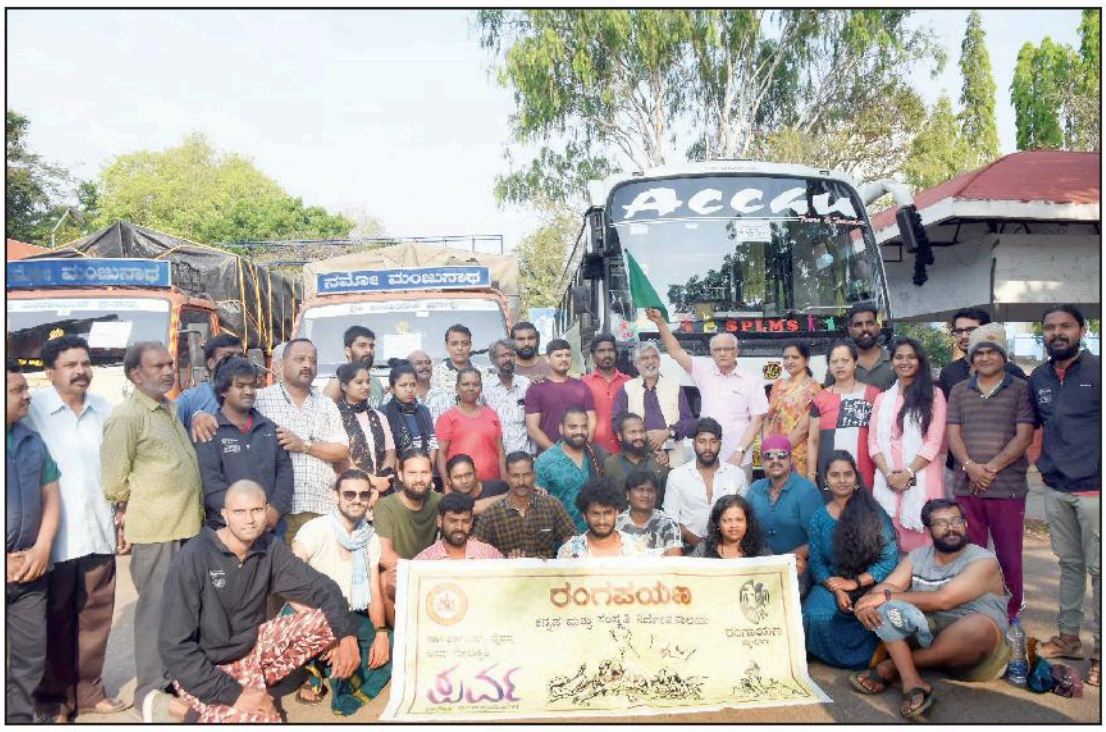
Parva Rangapayana flagged off by Dr. S.L. Bhyrappa at Rangayana



Mysuru, Apr. 7 (RKB&DM)- Setting in motion the resumption of the enactment of his popular 'Parva' play after the decline of COVID pandemic, acclaimed writer and *Saraswathi Samman* awardee Dr. S.L. Bhyrappa himself flagged off the first phase of 'Parva Rangapayana' at Rangayana premises this morning.

Dr. Bhyrappa flagged off a bus carrying a team of 35 Rangayana Junior artistes and Technicians and two lorries transporting stage properties and related paraphernalia.

Speaking on the occasion, Dr. Bhyrappa wished the Rangayana team all success in its endeavour. Maintaining that theatre lovers of Mysuru and Bengaluru made the 'Parva' play a grand success, when it was staged in 2020 and 2021, the acclaimed writer said that the Rangayana is now taking the play to all other parts of the State, with the first phase of the tour beginning from today.

Pointing out that the play will be performed first at Davanagere on Apr. 9 and subsequently at Dharwad, Belagavi, Vijayapura and Kalaburagi on different dates in the first phase, he hoped that the Rangapayana will showcase how plays are enacted in a different manner with new features and characteristics.

Rangayana Director Addanda C. Cariappa, in his address, said that 'Parva' play was first conceptualised and adapted in 2020, following which the State Government sanctioned Rs. 50 lakh for the enactment of the play. The play was first performed in Mysuru and later in Bengaluru, which was a great success. Now the Rangayana has embarked on popularising the play and as a first step in this regard, the play is being staged at different places of Northern Karnataka, for which Dr. S.L. Bhyrappa himself flagged off the 'Rangapayana', he said.

"In the second phase, 'Parva' play will be performed at Hassan, Chikkamagalur, Shivamogga, Mangaluru, Udupi, Moodabidri and again at Bengaluru. In the third phase, the play will be enacted at Nagpur in Vidarbha region of Maharashtra, Chhattisgarh, Chandigarh, Delhi and Bhopal," he said adding that the first phase of 'Rangapayana' will be from Apr. 9 to 23.

Stating that one day will be reserved for stage preparation at all venues where the play is enacted, Cariappa said that artistes performing the play held a 'grand run' on Apr. 5 at Rangayana to get themselves ready for the enactment of the play. He added that such is the popularity of Dr. S.L. Bhyrappa's 'Parva' novel, that is being translated into many other Indian languages and several foreign languages.

Artiste Chandini, who has played the role of 'Gaandhari' in the play, said that she is delighted to play the role as it was a challenging one for her.

Artiste Nandakumar who has played the role of 'Duryodhana', said he was extremely happy to be part of the team that is staging the play. Noting that 'Parva' is a great play, he expressed hope that he will be all the more successful in his role at all venues.

Organ Donation

48-year-old man saves 5 lives

Manu

Mysuru, Apr. 7- Manu, a 48-year-old man, was brought to Apollo BGS Hospitals, Mysuru on Mar. 30, 2022 at 12.32 pm from CSI Holdsworth Memorial Hospital, in a critical condition.

Initial CT scan showed brain stem infarct. He was shifted to ICU immediately for life support and intensive care.

On Mar. 27, Manu suffered a stroke and was rushed to the nearby hospital by his relatives as his wife and son were at Bengaluru. Manu's family immediately rushed to Somwarpet and took him to Madikeri followed by Hassan for further treatment on Mar. 28. The next day when his condition worsened, he was referred to Mysuru at a tertiary care centre for treatment.

Manu hailed from Somwarpet in Kodagu and had recently moved to Bengaluru with family.

Manu was kept on life support for two days while he was in a very critical state. On the third day, Apr. 1 at 9.30 pm he was declared brain dead due to brain stem failure as per the hospital protocol stipulated by the Transplant of Human Organs Act 1994 by panellist doctors at Apollo BGS Hospitals, Mysuru, which is now a Licensed Centre for Multi-organ Transplant (OTC).

Manu was healthy before this incident and further tests confirmed his eligibility for organ donation. After his family was counselled for organ donation, the deceased patient's wife and son came forward to donate his organs. As per organ donation protocols, officials from Jeeva Sarthakathe initiated the process of organ recipients waiting list. At around 2 am on Apr. 2, Manu's organs (2 Kidneys, Liver, Heart Valves and Corneas) were harvested with cross clamp done at 5.03 am at Apollo BGS Hospitals.

"India is struggling with acute shortage of organs for transplantation. It is estimated that more than a million people suffer with end stage organ failure, but only a handful of 3,500 transplants are performed annually. At least 15 patients die every day waiting for organs and every 10 minutes a new name is added to this waiting list," said N.G. Bharateesha Reddy, Vice-President & Unit Head, Apollo BGS Hospitals, Mysuru.

Stating that donors like Manu have turned to be a beacon of hope giving a new lease of life for the wait-listed patients, he also lauded the efforts of Jeeva Sarthakathe team for being in the forefront in achieving and carrying out sustained deceased donor transplantation activities and educating the public on organ donation.

The organs donated are as follows:

Sl. no	Organs Donated	Recipient Hospital
1.	Liver	Apollo BGS Hospitals, Mysuru
2.	One single kidney	Apollo BGS Hospitals, Mysuru
3.	One single kidney	Apollo BGS Hospitals, Mysuru
4.	Heart valves	NH Hospital, Bengaluru
5.	Corneas	Lions Eye Bank, Mysuru

Sarva Janangada Shantiya Thota programme

I am not speaking against BJP to create vote bank: HDK

Mysuru, Apr. 7 (RKB&BCT)- Former Chief Minister H.D. Kumaraswamy (HDK) yesterday said that the 2023 elections were not important for him but the peace and tranquillity of Karnataka are of paramount importance. "People who are disturbing communal harmony in the State by raising various issues must rather focus on price rice," he said.

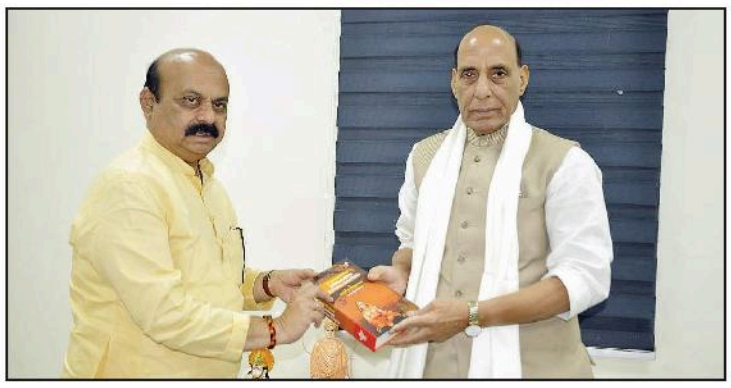
He was participating in a programme titled *Sarva Janangada Shantiya Thota* (A garden where all communities live in peace) organised by Loknayak J.P. Vichara Vedike at Kalamandira. "As a two-time Chief Minister, grabbing power is not important for me and even votes are not important. You vote for whomever you want, but Karnataka's cordiality between communities is important," he said.

He further said the JD(S) was ready to join hands with those creating unrest now if they take to the streets against the continuing price rise. "The price of petrol and LPG has risen uncontrollably and they are burdening the common man. As if to compete with fuel prices, prices of other commodities too have seen an increase," he said.

He criticised the ruling BJP for provoking communal unrest to divert attention from the price rise ahead of the Assembly elections next year. "Sensitive religious issues are being raised for political gains. This is nothing but 'Ravana Rajya' and not 'Rama Rajya.' The BJP is converting Karnataka into another Uttar Pradesh. But you will never achieve your goal. It is not possible in Karnataka," he said.

"I am making it clear that I am not taking on BJP and other allied organisations for the sake of creating a vote-bank. My only intention is to ensure harmony among different communities in the State," he added. He appealed to the Muslim community to remain calm and conduct themselves responsibly without giving others an opportunity to target them. Former Union Minister C.M. Ibrahim, MLCs K.T. Srikantegowda, C.N. Manjegowda, littérateur Aravind Malagatti, Prof. Nanjaraj Urs, Sri Basavalinga Murthy Sharanaru, Rev. Gurushantha, Moulana Zakaulla Siddiqui from All India Milli Council and journalist B.M. Hanif and others were present.

CM Bommai returns from Delhi empty handed



Chief Minister Basavaraj Bommai' called on Defence Minister Rajnath Singh at New Delhi on Wednesday.

Bengaluru, Apr. 7 (KMS&DM)- Chief Minister Basavaraj Bommai's plan to get nod for Cabinet expansion or reshuffle from the Party High Command, seems to have proved futile as he returned empty handed from New Delhi this morning without getting the go-ahead for his Cabinet plans.

Bommai left for Delhi on the afternoon of Apr. 5 with his Cabinet expansion/reshuffle plans and also for getting clearance for some of the key projects of the State. But Bommai was unable to meet Prime Minister Narendra Modi and Union Home Minister Amit Shah, but succeeded in meeting BJP National President J.P. Nadda and Defence Minister Rajnath Singh.

Meanwhile, highly placed sources said that the BJP High Command will take a decision on giving nod for Karnataka Cabinet expansion/reshuffle only after the State Executive Committee meeting scheduled to take place at Hospet on Apr.17 and 18. Prior to the meeting, several top leaders will discuss the political scenario in the State and provide a feedback to the Party top brass on the State of affairs in the Karnataka Unit of the BJP, the sources said adding that no immediate outputs were available after Bommai's meeting with J.P. Nadda and Rajnath Singh.

Sensing a Cabinet expansion, several aspirant legislators had camped in Delhi for days ahead of Bommai's visit. But they are left disappointed after learning that the Party High Command has no immediate plans of Cabinet expansion.

Walkmate Footwear adopts Mysuru Zoo animals

Lunar Exports Private Ltd., Mysuru, has adopted an Orangutan, Bengal Tiger, Giraffe, Chimpanzee, African Hunting Cheetah, Lion Tailed Macaque, Great White Pelican, Hoolock Gibbon, Malabar Giant Squirrel, Green Anaconda, Common Ostrich, Meerkat and Emu of Mysuru Zoo for one year from 24.3.2022 to 23.3.2023, by making payment of Rs.10,00,000 under the Animal Adoption Scheme. Picture shows Ajit Kulkarni, Executive Director of Sri Chamarajendra Zoological Gardens, handing over the official certificate of the adoption of animals to Bastian J. Kottukapally, Managing Director of Walkmate Footwear India Private Limited.

Lecturers of Govt. Degree Colleges with less workload to be transferred

Bengaluru, Apr. 7 (KMS & DM)- In order to ensure that there is no shortage of teaching staff in Government Degree Colleges and to maintain a balance in respect of workload, the Department of Collegiate Education has decided to transfer 44 lecturers who are found to have less workload.

A press release by the Department Commissioner P. Pradeep said that the Department has issued a circular in this regard, which contains the list of less workload lecturers who are going to be transferred. Pointing out that the transfer will be done based on the service details of lecturers available in the EMIS Software, Pradeep said that the transfer will take place through counselling session.

Objections can be e-mailed to *dce.postshifting2022@gmail.com* following which the transfer counselling will take place on Apr. 8, the release said.
